AN INTREPID ENGLISHMAN

Captain Scott, It is Reported in London, Has Put the Flag of His Country on the Southern Pole

London, March 7.—It is reported here that Captain Scott, the British explorer, has discovered the South Pole. Little authentic news has been received, but it is generally credited. Captain Scott left many months ago, well equipped for the journey. It is believed that the report is true.

ELECTRA

Electra, March 6.—The spring like weather of the past few days has induced some of our farmers to begin their spring plowing.

Our section was visited a few days since by a terrific wind storm, causing much damage, felling the timber and fences, etc.

Mrs. J. P. Holly is home after spending a week with her sister in Tampa.

Mrs. G. W. Holly and Mrs. S. E. Smith Sunday.

Mrs. Avant and bright little son from South Carolina, are visiting her sister here, Mrs. Geo. W. Brant.

A. M. Eastford, the traveling music dealer of Ocala, sold S. E. Smith an Armstrong piano player last week, and now the Smiths are having music three meals a day.

Politics beginning to wax warm with the approach of the date of the first primary. Candidates galore, and still they come. One has to begin early, and look very savage, to attend to business in Ocala these days, lest he be pulled down at the street corner and suffer his finger joints being sprained, and maybe broken, by the heavy grasp prompted by the overwhelming love, welling in their hearts, and increasing as the said primaries draweth night, as the said primaries draweth night.

CHAOS REIGNS IN CHINA

Yuan Has Control at Peking But Riot Prevails in Other Parts of the Republic

Peking, March 7.—President Yuan has secured complete control of the situation, and terrible punishment is being inflicted upon mutineers and pillaging outlaws.

A bunch of 150 was beheaded yesterday. The street around the place of execution was a lake of human blood and was piled with headless human corpses. Even the hardened soldiers were sickened by the hideous spectacle. The heads were stuck on bamboo poles and carried through the streets with written warnings appended.

Missionary Murdered
Tien Tsin, March 7.—An English missionary was shot to death in rioting at Ching Ho yesterday and many Chinese were killed. The town was burned and property was pillaged.

TELLS ON THE KIDNEYS

Ocala People Have Found This to be True

The strain of overwork tells on the weakened kidneys more quickly than on any other organ of the body. The hurry and worry of business men, the heavy lifting and stooping of workmen, the women's household cares, tend to wear, weaken and injure the kidneys until they can no longer filter the poison from the blood, and the whole body suffers from the waste matter that accumulates. The weakened kidneys need quick assistance. Doan's Kidney Pills are prepared especially for sick, weakened kidneys; tired, worn-out backs—have cured thousands of such cases. Convincing proof in an Ocala citizen's statement.

T. R. Madden, 102 Orange avenue, Ocala, Fla., says: "I am well pleased with the results I have received from Doan's Kidney Pills, procured at Tydings & Co's drugstore. My kidneys did not do their work as they should and there was much lameness and soreness across my back. I used Doan's Kidney Pills as directed and they brought me such great relief that I am convinced of their merits."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

TAX ASSESSOR'S APPOINTMENTS

All of March in my office at Ocala. The law requires all returns to be made by the first of April, and it is impossible to make changes after I have made new books, so I hope that all who fail to meet me on my rounds will call or write me at Ocala during the month of March.

Alfred Ayer, Assessor.

C. A. Glossner, 24 Ontario St., Rochester, N. Y., has recovered from a long and severe attack of kidney trouble, his cure being due to Foley Kidney Pills. After detailing his case, he says: "I am only sorry I did not learn sooner of Foley Kidney Pills. In a few days' time my backache completely left me and I felt greatly improved. My kidneys became stronger, dizzy spells left me and I was no longer annoyed at night. I feel 100 per cent better since using Foley Kidney Pills." Sold by the Anti-Monopoly Druggists.

EGGS FOR SETTING

Rhode Island Red eggs from heavy laying strain, \$1 per 15. Q. E. Peacock, Star office.

R. G. Collins, postmaster, Barnegat, N. J., was troubled with a severe laryngitis cough. He says: "It would be completely exhausted after each fit of violent coughing. I bought a bottle of Foley's Honey and Tar Compound and before I had taken it all the coughing spells had entirely ceased. It can't be beat." Anti-Monopoly Druggists.

AN OMINOUS OUTLOOK

Strong Probability that American Coal Miners May Follow the Example of the British Strikers

New York, March 7.—The coal mine owners have unequivocally rejected the demands of the anthracite miners' union for an advance of 20 per cent. in wages and shorter hours of labor. Whether this will be followed by a strike remains to be seen. The miners will hold a conference here on March 13, to determine what action they shall take. One hundred and eighty thousand men are involved. Should a strike be declared, and the men in the bituminous coal fields be embraced in the struggle there would be a strike second only in importance to that of the British miners. The anthracite and bituminous coal miners together have a union membership of more than three-quarters of a million in the United States.
